

How to apply for Stamp 0

An applicant who believes they qualify under the Stamp 0 criteria and who wishes to reside in the State should make their application in writing to

Unit 2 Residence Division
INIS
13- 14 Burgh Quay
Dublin 2

An application must include the following

- Reason for the request
- Full copy of your passport
- Any Irish Associations
- Evidence of your finances verified by an Irish based accountant listing yearly income. Investment sums are not normally reckonable – finances must be in the form of pension income or readily accessible funds.
- Evidence of private medical insurance with full cover in private hospitals
- Police clearance certificate
- Health declaration

If your application is successful INIS will issue a letter of permission. This letter will indicate if the permission is renewable or not and will contain instructions on either leaving the State at the end of the permission or applying for an extension.
