## Application Decisions:

Decisions for period from 07/08/2018 to 13/08/2018

Classification: DJELR

Mission: INIS Dublin

### QUALITY OF DOCS

2. The quality of supporting documentation submitted by you in the following areas has diminished the overall credibility of your application;

- Employment documents
- Evidence of ties to your home country
- Evidence of sponsor's circumstances
- Evidence of a reference in Ireland

### B - Finances

2. The financial documentation submitted in support of this visa application has not been deemed sufficient.

4. The majority of the money available to you / your reference for this trip has been lodged to your account in lump sums within the past 90 days, and no explanation as to the source of this money has been provided.

5. The average balance of your account(s) (income minus outgoings) / your references account(s) over the past 180 days has been considered by the visa officer and has not been deemed sufficient to cover the potential cost of your trip. The visa officer has also considered your average income over the past 180 days and the cost of living in your home country compared with the potential cost of this trip and has concluded that your financial situation is unlikely to allow you to support yourself in Ireland.

6. You have not provided any evidence as to the source of your income.

### C - OB/OC

1. The visa officer has considered the information submitted in support of your application and has found insufficient evidence of strong obligations to return to your home country. The following information has been taken into consideration;

- Your family circumstances
- Your employment details
- Your financial situation
- Property owned or rented by you
- Other social, economic or professional ties to your home country

2. The visa officer has considered the information submitted in support of your application and has found that your social or family ties to Ireland appear to be stronger than the ties to your home country. As such, the visa officer is not satisfied that there is sufficient reason for you to leave the state upon the expiry of any permission granted to you.

3. Information available to the visa officer concerning your immigration history has diminished the overall credibility of your application. The visa officer has considered the evidence of ties to your home country submitted, however this has not been sufficient to satisfy the visa officer, on the balance of probabilities, that you are likely to observe the conditions of any visa granted.

4. Information supplied by you concerning your personal, economic and family circumstances has been insufficient to satisfy the visa officer that you would observe the conditions of any visa granted, with particular regard to the use of public funds and public resources.
