

**FORM 8 – IRISH NATIONALITY AND CITIZENSHIP ACT 1956**

**CTZ3**

**Application by a person of full age for naturalisation as an Irish citizen**

**A person who gives false or misleading information is guilty of an offence under the Act and liable to a fine and/or imprisonment. Giving false or misleading information may also result in an application being refused or, where a certificate of naturalisation has been granted, the revocation of that certificate.**

Do not submit your application form without properly completing the statutory declaration and enclosing all of the required documentation specified below. If documents are missing or if the form is not fully completed, your application may be refused as the requirements under the Act have not been met and your application fee will not be refunded.

Your application is not fully completed if you have not:

- Completed all questions on the application form, or
- Inserted your full name and signed the statutory declaration in the presence of an approved witness, or
- Enclosed the required documentation to support your application, or
- Enclosed the statutory application fee of €175 (no assessment of your application will be undertaken).

If your application is successful a **certification** fee of up to €950 may be payable by you, see the citizenship fees page on the INIS website at [www.inis.gov.ie](http://www.inis.gov.ie). If your application is refused you will be advised of the decision and, where appropriate, the reasons for refusal. There is no appeals process; however you can re-apply at any time if you believe you meet the criteria.

**1. The following documentation must be provided with all applications:**

1. The statutory application fee of €175 in the form of a Banker's Draft only, made payable to the Secretary General, Department of Justice and Equality. Postal orders, personal or

business cheques are not acceptable. This fee is non-refundable and is required for each application for a certificate of naturalisation.

2. The **original** of your current passport and any previous passports valid during periods of residence in the state, together with a photocopy of the biometric page of each passport.\*
3. A certified copy of your original civil birth certificate, and a copy of a translation into English if the certificate is in a language other than English or Irish.\*\*
4. Two colour passport photographs taken within 30 days of the date of application, signed and dated on the back by the witness who signs the statutory declaration to confirm they are your photograph.
5. A copy of your current Immigrant Registration Card issued by the Garda National Immigration Bureau (GNIB) or the Irish Naturalisation and Immigration Service (INIS) as appropriate (this does not apply to EU/EEA citizens).
6. Three different proofs of residence for each year of residence claimed, showing your name and address and date of issue, e.g. mortgage/rent agreement, household bills (gas, electricity, phone or cable/satellite TV), bank statements, revenue letters, social welfare, letter from employment, etc.
7. A letter, on headed paper, from your current employer showing the date of commencement of employment (if applicable), and copies of 3 recent pay slips (dated within the previous 6 months), and copies of your P60 or tax statement from the Revenue Commissioners for each year of residence claimed.
8. Copies of bank statements for all of your bank accounts for at least 3 of the previous 6 months.
9. Evidence of marriage to, or being the civil partner of, a deceased person who, at the date of death was an Irish citizen, if applicable. (Certified copies of certificates, court documents as applicable).
10. Copy of your completed online residency checker (see page 4 below). Not required for EU/EEA citizens.
11. As and from 19 September 2016 all applicants for a certificate of naturalisation aged 18 or over who are resident in the state must be registered with the Department of Social Protection for a Public Services Card (PSC). This is an important measure to identify the applicant, protect against fraud and identity theft and uphold the integrity of the Irish naturalisation process.

#### Note regarding copies and certified copies:

- Where a certified copy is required, you must take your original certificates/documents to your solicitor, or a notary public, commissioner for oaths or peace commissioner and ask them to make a photocopy of each document and certify that it is a true copy of the original i.e. stamp and sign it "True copy of the original".
- If certificates/documents are not in English or Irish, a translation by a professional translator is required. A copy of the translation as well as the copy of the original document must be provided. Please note that we may also seek to establish the authenticity of documents submitted with authorities of the issuing country.

\* Persons making an application for a certificate of naturalisation are required to provide satisfactory evidence of their identity and nationality. This is usually in the form of a currently valid passport and may include other original supporting documents, such as a previously held or out of date passport, birth certificate and marriage certificate. In rare circumstances where an applicant cannot produce their current passport, or a previous passport, birth certificate or other supporting documents the applicant will be required to provide a full explanation. Such explanation should, where possible, be supported by satisfactory evidence that they have attempted to obtain such documentation and correspondence from the relevant authorities or embassy responsible for the issuing of passports and birth certificates in their country, clearly stating the reasons the documentation cannot be provided. INIS will consider the explanation given and, if satisfied it is for reasons genuinely beyond the applicant's control, may suggest alternative means to the person to assist in establishing their identity and nationality.

\*\* If you do not have your birth certificate (or marriage certificate/civil partnership registration if married to or are the civil partner of an Irish citizen) you should get it from the relevant authorities in the country where your birth and/or marriage/civil partnership was registered before making an application for a certificate of naturalisation. In certain limited and exceptional circumstances a birth affidavit may be accepted in lieu of a Birth Certificate where you can show satisfactory evidence that the certificate is not available and cannot be obtained. If you are not in possession of, or have lost, your birth certificate, an affidavit will NOT be accepted. You must obtain it from the relevant authorities before applying.

**You must also provide additional information/documentation as follows:**

**2. If you are a non-EU citizen making a standard application based on having 5 years residence:**

- Evidence of your residency permissions that cover a CONTINUOUS PERIOD of 365/366 days in the year immediately prior to the date of application (date of Statutory Declaration) AND periods totalling 4 years in the 8 year period before that (i.e. a total of 5 x 365 days plus one day for each permission period in which 29 February falls (leap year). Please submit three different proofs of residence for each year showing name and address for this period i.e. mortgage/rent agreement, household bills (gas, electricity, phone or cable/satellite TV), bank statements, revenue letters, mortgage agreement, social welfare, letter from employment, etc.
- Residency permissions are evidenced by stamps in your passport, while additional periods may be covered by letters issued by the Irish Naturalisation and Immigration Service granting you permission for a specific period from or to a specified date. Please note that any failure to register with the Garda national immigration bureau within a reasonable period will be taken into account in assessing your application.
- These arrangements are on the basis that the person with residence permission is also continually physically resident in the State. Where there are significant absences from the State during the currency of permission further enquiries may be necessary and your application may be refused.
- Dependent children, who entered the State with their parent(s) as part of a family unit may be covered by their parent's permission for the purposes of this application while attending secondary school and may continue to be covered up to age 23 where they have been continuously dependent on their parents and progressed from secondary school in the State directly into third level education.
- A printout from the online residency checker showing the above permissions. The printout must confirm that you are eligible to apply. If it does not your application will be deemed ineligible. Do not add in days not covered by permissions to try and satisfy the conditions as these will not be reckoned. See note below for more information.

### **3. If you are an EU citizen making a standard application based on having 5 years residence:**

- If you are an EU citizen for more than five years please submit proof of residence in the State amounting to a total of five years in the last nine years, to include the year prior to application. Please submit three different proofs of residence for each year showing name and address for this period i.e. mortgage/rent agreement, household bills (gas, electricity, phone, cable/satellite TV), bank statements, revenue letters, mortgage agreement, social welfare, letter from employment, etc.
- If you are an EU citizen for less than five years please submit copy of your passport showing permission to remain stamps from date of arrival in the State to date of becoming an EU citizen and proof of residence in the State from date of becoming an EU citizen to date of application. Please submit three different proofs of residence for each year showing name and address for this period i.e. mortgage/rent agreement, household bills (gas, electricity, phone or cable/ satellite TV), bank statements, revenue letters, mortgage agreement, social welfare, letter from employment, etc.
- Please note that failure to provide the required proofs may considerably delay processing of your application. In addition, if you fail to provide the proofs within a reasonable period, your application may be deemed ineligible.

### **4. If your application is based on marriage to or being the civil partner of an Irish citizen:**

Note, you must be married / in a civil partnership to the Irish citizen for not less than 3 years, and be living together at the date of making an application and have the required residency in the island of Ireland (see below).

- Documentary proof of Irish spouse's/civil partner's entitlement to Irish citizenship (certified copy of Irish spouse's/civil partner's birth certificate if born in Ireland / certified copy of foreign birth register entry / spouse's or civil partner's parent's birth certificate if latter was born in Ireland / certified copy of naturalisation certificate / certified copy of passport page with photograph).
- Certified copy of marriage certificate / civil partnership registration\*\*. NOTE: If your civil partnership was registered in a country other than the State, then recognition of this relationship by the State is determined by reference to the Civil Partnership (Recognition

of Registered Foreign Relationships) Order 2010. You should satisfy yourself that your registered relationship is recognised before making an application based on being the civil partner of an Irish citizen.

- The relevant sworn Affidavit (at the back of this application form) must be completed by the Irish spouse/civil partner in the presence of a legal witness after you have signed the statutory declaration (Commissioner for Oaths, Peace Commissioner, Notary Public or Practising Solicitor).
- Copies of three different proofs of residence in the island of Ireland for both applicant and spouse/civil partner for 3 months prior to the date of application showing date and name and current address. Proofs include mortgage/rent agreement, household bills (gas, electricity, phone or cable/satellite TV), bank statements, revenue, mortgage agreement, social welfare, letter from employment, etc.
- Evidence of residency permission i.e. your passport(s) showing residency permission stamps for a period of 1 year immediately prior to the application and a further 2 years in the 4 year period before that, equalling 3 years in total, or alternatively proof of residence in the island of Ireland for this period. Please submit three different proofs of residence for each year showing your name and address and date of issue i.e. mortgage/rent agreement, household bills (gas, electricity, phone or cable/satellite TV), bank statements, revenue letters, mortgage agreement, social welfare, letter from employment, etc.
- Where the residency is in Northern Ireland, evidence must be given of being lawfully resident in that jurisdiction for the period of 1 year immediately prior to the application and a further 2 years in the 4 year period before that, equalling 3 years in total, on foot of a permission granted by the immigration authorities of the United Kingdom, which period was granted other than for a period of
  - enabling you to engage in a course of education of study; or
  - having a claim to be recognised as a refugee within the meaning of the 1951 Geneva Convention relating to the status of refugees and the 1967 protocol relating to the status of refugees determined by the UK authorities.

**Section 15A applicants (spouse/civil partner of an Irish citizen) must ensure that the relevant declaration at the back of this application has been signed by your Irish spouse/civil partner and witnessed on the same date as the statutory declaration is witnessed or after the date you signed the form.**

The Minister may, in his absolute discretion, waive some of the conditions for naturalisation for Section 15a applicants (spouse or civil partner of an Irish citizen) if satisfied that the applicant would suffer serious consequences in respect of his or her bodily integrity or liberty if not granted Irish citizenship.

**5. If your application is based on having Refugee Status you must provide:**

- Copy of the letter confirming your refugee status,
- Original of your passport and any other identity document,
- Original of your Travel Document, if you have one

**6. If your application is based on Irish Associations you must provide:**

- Certified copies of all documentation proving your Irish associations\*\* e.g. all birth and/or marriage certificates or civil partnership agreement needed to show association, certified copy of foreign birth registry entry, copy of naturalisation certificate etc.
- Evidence of residency permissions. Residency permissions are evidenced by stamps in your passport, while additional periods may be covered by letters issued by the Irish Naturalisation and Immigration Service granting you permission for a specific period from or to a specified date.

\*\* Section 16(2) of the Irish Nationality and Citizenship Act 1956 defines being of Irish associations as meaning: related by blood, affinity, adoption to, or is the civil partner of, a person who is an Irish citizen, or a person who is deceased and who, at the time of his or her death, was an Irish citizen or entitled to be an Irish citizen.

**The Minister may, in his absolute discretion, waive some of the conditions for naturalisation where the provisions of Section 16 apply. As a general rule, where this Section applies you will normally be expected to have a minimum of 3 years reckonable residence in the state. There is no right or entitlement to have any conditions for naturalisation waived, it is entirely at the Minister's absolute discretion.**

## **7. IMPORTANT - PLEASE NOTE THE FOLLOWING POINTS:**

Naturalisation is a privilege and not a right. The onus is on each applicant to disclose all information and evidence to help demonstrate that he or she satisfies the conditions for a certificate of naturalisation, including being of good character. The Minister is not obliged to give advance notice of adverse information of which the applicant is already aware. Should adverse information come to light in the course of the processing of the application which the applicant could reasonable foresee could be taken into account, the Department will not correspond with the applicant on the matter. However, such information will be taken into consideration in the decision making process.

You should be aware that citizenship legislation requires the publication of details of all persons granted a certificate of naturalisation, including name, address and date of issue of the certificate of naturalisation, in the official journal 'Iris Oifigiúil'. This is a legal requirement, there are no exceptions.

Applications where the applicant has a case pending in the court system will not be processed until the matter is concluded. Therefore do not submit an application for naturalisation until the case is closed.

## **8. ONLINE RESIDENCY CHECKER (not required in respect of EU/EEA Citizens):**

An online residency checker is available to enable you to check if you satisfy the residency conditions for naturalisation before applying. You are required to use the Online Residency Checker, available at

**[www.inis.gov.ie/en/INIS/Pages/Naturalisation\\_Residency\\_Calculator](http://www.inis.gov.ie/en/INIS/Pages/Naturalisation_Residency_Calculator)**

This will indicate whether you satisfy the naturalisation residency conditions and, if not, indicate how long you should wait before signing the Statutory Declaration and lodging the application. You are required to print a copy of the result and enclose it with your application. Some applications are ineligible as the applicant did not have the full required residency at time of application. As each application incurs a €175 application fee, sending in an ineligible application is costly. Please note that residency is calculated back from the date of application, i.e. the date you have signed the Statutory Declaration on the application form.
